

Marlborough School

School Digital Citizenship Plan 2024-2025

Relevant contextual information about your school and School Development Plan:

- Roughly 300 students in grades K-5
- School Development Plan goal is focused on improving literacy outcomes (3-year plan), specifically writing (this year’s plan)

Relevant evidence and data that informs your Digital Citizenship Plan:

- Observations of students’ interactions with each other in the online environment; previous years’ results on CBE Student Survey

School Digital Citizenship Plan					
Long Term Goal (e.g. spanning 8-10 months)	Competency (may be chosen from the CBE DC Competencies)	Short Term Goals (in support of the long term goal)	Outcomes	Activities & Resources	Measures
Students will demonstrate safety online in the classroom environment.	I know how to be safe online and create safe spaces for others in online communities	Students will understand what a safe, positive online space is.	Student will recognize examples and non-examples of safe online spaces.	CBE Digital Citizenship Competencies	CBE Student Survey data
		Students will recognize and report unsafe online interactions.	Student will report fewer negative online interactions.	Essential Elements of Digital Citizenship	
		Students will know who and how to ask for help in the event that they feel unsafe online.	Students will identify the right supports to ask for help online.
